Announcement

This is the 36th Semi-Annual Sale of Improved Shorthorn Cattle to be held under the auspices of the Northwest Missouri Shorthorn Association.

Because of the cancellation of the state Shorthorn sale this winter, we have a few additional bulls, excellent individuals and a little different breeding from what have been sold in the past. Some of these are very outstanding.

In the past year there have been more outstanding Shorthorn herd bulls brought into Missouri than for years. Several females included carry the service of some of these noted bulls.

In the catalog you will find listed 34 bulls, good colors, good ages and well bred. If interested in a Shorthorn bull, it will pay you to attend the sale. Good Shorthorn bulls are not plentiful, and I know you can find what you want in this sale.

As to females, there are 21 and 20 of them either have calves or are well along in calf. That is, they are the "close to profit kind."

We feel that in these sales, the buyer gets a lot for their money and yet the cattle bring enough that the consignors are pleased.

Pedigrees and applications for unborn calves will be furnished promptly, transferred to the buyer. Calves at foot will be registered and transferred.

Come to the sale. This should be a good year for Shorthorns.

ATTENTION—The Missouri Shorthorn Association will hold its annual meeting Sunday evening, March 25, at Armstrongs Restaurant, in Maryville. Dinner at 7:00 o'clock, \$2.25 per plate. Everybody invited and urged to attend. Please make reservations with Dale Bellows, if possible, and if not just come. You will be taken care of.

General Information

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 26, 1962. Sale at 12:30 p.m. There will be no show.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.
